**O R D E R:**

In the letters read above, the Engineer-in-Chief (PH), Hyderabad, has stated that while preparing Detailed Project Report Water Supply Improvement Scheme to Sangareddy Municipality under UIDSSMT, had proposed the distribution lines for a length of 121.00 Km, with an estimated cost of Rs.2268.00 lakhs. But, while according Technical sanction, the length of distribution system was restricted to 81.224 Km to limit the cost to Administrative Sanction amount under the scheme. Accordingly, distribution lines were laid to a length of 91.50 Km within the sanctioned amount and there are no savings. Further, some new colonies come up in the Sangareddy Municipality and the same were not covered in the above said scheme under UIDSSMT. The Engineer-in-Chief (PH), Hyderabad, has therefore requested the Government to accord Administrative sanction for an amount of Rs.700.00 lakhs under plan grants, towards taking up of 45.00 Km additional distribution lines in unserved and illserviced areas to provide Drinking water supply in left over new colonies of Sangareddy Municipality, as there is no scope for taking up additional distribution lines under UIDSSMT.

2. Government after careful examination of the proposal, hereby accord Administrative Sanction to the Engineer-in-Chief (PH), Hyderabad for taking up of 45.00 Km additional distribution lines in unserved and illserviced areas for providing drinking water for the left over colonies in Sangareddy Municipality at an estimated expenditure of Rs.700.00 lakhs, subject to meeting from the future releases, Under Plan Grant of Public Health Department in the current financial year 2012-13.
3. The Engineer-in-Chief (PH), Hyderabad and Director of Municipal Administration, Hyderabad, shall take necessary further action in the matter accordingly.
4. This order issues with the concurrence of Finance (Expr. M&F) Department vide their U.O.No.6613/93/A1/EXPR (M&F)/12, dt:31.3.2012.
